

Beach Mission – Shelly Beach

Beach mission is a programme run by OAC ministries that involves teams going out to beaches across New Zealand and running Children's and family programmes over the New Years period.

The children's programmes are themed and have a variety of activities, from games and music to stories and puzzles. The gospel is clearly set out in simple terms and a time given for the children to give their hearts to Jesus over the 6 days that the programme is run. The family programmes are less about evangelizing and instead give an opportunity to build rapport and community within the motor camps that it is run from.

Miriam and Ethan have been running one from Shelly Beach in the Coromandel for about 6 years now, taking friends and members of the His Youth group along with them. It involves a lot of energy, commitment and even financial cost to go, so they hugely appreciate support.

For more information on the 2026 camps and how you can get involved, please contact Ethan and Miriam
