Shared Spaces

It is wonderful to see our facilities being used by so many ministries. This is a reminder to please leave the spaces you use as you find them or if possible, even better. If you are unsure how to return spaces e.g chairs/tables, please contact the office in the first instance. The office is also a workspace so out of courtesy please ensure office stationery is returned and leave surfaces clean and clear. We will be having a working bee in March, and our Managers are working hard to keep our facilities in good working order. Please let us know if there is anything you wish to make us aware of regarding the facilities.

Thank you.
